NEW

FLOW CHART SYMBOLS TEMPLATE

Conforming to U. S. A. Standard X-3.5-1966

• • • AVAILABLE IN SIX SIZES • • •

These symbols are the standardizations reached in the recent meeting of the government defense agencies involved in data processing. As a result of this meeting, most private companies using flow chart symbols are adopting this new national standard.

The template illustrated, the #203, is the most commonly used 5" x 9" full size. Other sizes available are: $\frac{3}{8}$ size (#204); $\frac{1}{2}$ size (#205); $\frac{3}{4}$ size (#206); $1\frac{1}{2}$ size (#207); twice size (#208).

This new Flow Chart Symbol Template is available from your local distributor or you may order directly from us.

Prices and quantity discounts for numbers 203, 204, 205, 206 are listed in the following price schedule.

QUANTITY		PRICE EACH
1 to	11	\$2.50
12 to	99	2.10
100 to	299	1.75
300 to	499	1.25
500 to	749	1.10
750 to	999	.95
1,000 to	4999	.88
5,000 to	9999	.78
10,000	up	.70

Prices for the larger sized #207 and #208 are higher.
